FIU at I-75

Questions & Answers

Based on the escalating coronavirus pandemic, and for the benefit of the entire community, FIU will transition to temporary remote work for as many roles as possible beginning on Monday March 16. This applies to FIU at I-75 as well. At this time, **the facility is closed** - including enrollment services, study rooms, computer lab, and hoteling offices. Although our facility is closed, we will continue to be available via phone and email during normal business hours. Please continue to check the official FIU Coronavirus Updates website for the latest news: <http://coronavirus.fiu.edu>.
